

“A beautiful place to be”

RYA Volvo Champion Club

Wraysbury Lake Sailing Club

Joining the Club

Obviously, it is impossible to cover all aspects of the Club and its activities in this flyer, but we hope that you will be sufficiently interested in what you have read so far to want to talk to us further. There is always someone at the Club on Sundays; and often on Wednesday evenings during the Summer. After 11:30 on Sunday is a good time to speak to a Committee Member and perhaps to complete your application for membership?

For more information see our website at www.wlsc.org.uk, or visit the Club / contact us at 01784 483 044, on a Sunday.

Finding Us

The map will help you find us. On arrival you might find the main gates locked - we do this to ensure security. Call the Clubhouse on the number above and a member will let you in.

We hope to meet you soon, but in the meantime if you have any questions please contact our Membership Secretary either by phone, or via e-mail : (enquiries@wlsc.org.uk).

“A beautiful place to be”

Children & Youths

Optimist Flotilla

Optimist Class Association
Training Programme; Optimist race series' run throughout the year, and our "Open" meeting has attracted over 80 boats competitors in recent years. Wraysbury is extremely successful and well respected, regularly producing members of both the National and Regional Squads.

YOBS

For teenagers who have outgrown an Optimist, we have the "Youth On Boats" social sailing group. Meeting on the same Sundays as the Optimists our afternoon sessions are fun, instructive and competitive. YOBS tend to use their own wide variety of boats as well as our club boats (although they seem to spend as much time in the water as on it!).

Training

For anyone wanting to learn to sail, Wraysbury runs regular "Start to Sail" and "Improver Courses", with the opportunity to learn the theory, and sail, with one of our many qualified RYA Instructors – all you need is a change of clothes, and be prepared to get wet!
